

CHAPTER 4

Community Gardens

The procedures outlined in this chapter apply to community gardens located inside the State Interior Quarantine (CCR 3434) or within 1.5 miles of a LBAM detection.

SECTION 1: INSPECTION

- (i) All regulated fruits and vegetables for immediate consumption may be moved without inspection within the State Interior Quarantine
- (ii) All regulated fruits and vegetables leaving the State Interior Quarantine must be inspected at intervals specified by the county agricultural commissioner or the LBAM Project (i.e., once monthly, per shipment, etc)

SECTION 2: CERTIFICATION AND COMPLIANCE AGREEMENTS

- (i) All community gardens within the State Interior Quarantined area may be issued a compliance agreement by the county agricultural commissioner or the LBAM Project (**Exhibit C**) ([CDFA PHPPS extranet site](#))
